Moving Mountains® Hot dog 20x155g

Short Product Name:
Moving Mountains® Hot Dog

Unlike any other plant-based hot dog on the market, Moving Mountains® has used food technology, incredible scientific processes, specialised machines and local natural ingredients to create their revolutionary Hot Dog. These ingredients are combined with a delicious naturally smoked flavour and satisfyingly firm yet bouncy texture, making the Moving Mountains Hot Dog look and taste just like a pork hot dog or frankfurter. It will fool even the most committed carnivores and convince them that a pig isn't needed to make a dog. Moreover, the Moving Mountains® Hot Dog has a Gluten Free recipe, however it's made in a factory that handles gluten.
