7 INTELLECTUAL PROPERTY RIGHTS

- 7.1 The Supplier shall indemnify Sysco from and against any and all liability, actions, proceedings, claims, costs, expenses, losses or damage incurred by Sysco in relation to any actual or alleged infringement of any Intellectual Property Rights arising out of the sale or use of the Products provided always that the Supplier shall not be required to indemnify Sysco against such infringements where the Products are supplied to the particular design or specification of Sysco.

Subject always to any fixed Product pricing agreed in the Commercial Terms, any price increase proposed by the Supplier must be agreed by Sysco three (3) months in advance of the application of such increases and the Supplier must provide satisfactory justification in support of such increases. Where applicable, any increases sought should be timed to coincide with the issue by Sysco of its own customer price lists. Alternatively, the Supplier can elect to cease supply of the Products in accordance with Clause 2.4.
- 9.2 For the avoidance of doubt, the price agreed between Sysco and the Supplier shall include all associated costs, including the cost of packaging, insurance, carriage of the Products, import taxes and any other trade duties or tariffs, unless otherwise agreed in writing between Sysco and the Supplier.

10 INVOICING & PAYMENT

- 10.1 All invoices must be validated against delivery notes. Sysco shall be under no obligation to accept or pay for any Products supplied other than in accordance with the Order and the Terms and Conditions. Invoices may not be issued prior to the date of delivery of the Products. All invoices must quote Sysco's purchase order number and the relevant Sysco product code(s) and be sent to Sysco at an address specified by Sysco. A signed delivery note will be made available on request.

- 10.2 In the event of a disputed invoice, Sysco may withhold payment of the full amount of the invoice pending agreement of the amount outstanding. Alternatively, Sysco may raise and forward to the Supplier a detailed debit note for the difference and deduct such amount from the invoice. Sysco may, at its discretion, charge an additional administration fee.
- 10.3 Save for Products delivered in accordance with Clause 10.10 below, if a signed delivery note does not accompany the Supplier's invoice and the quantity of Products to which the invoice relates is greater than the quantity of Products recorded in Sysco's copy of the delivery note, Sysco will raise and forward to the Supplier a detailed debit note for the value of the undelivered quantity of Goods and deduct such amount from the invoice. Sysco may, at its discretion, charge an additional £20 administration fee.
- 10.4 Unless otherwise previously agreed in writing, payment will be made by BACS. Subject to Clause 12 (Nominated Products), Sysco shall pay for the Products weekly, no earlier than 60 days from the date of invoice unless stated otherwise in the Commercial Terms.
- 10.5 Sysco may at any time, without limiting any of its other rights or remedies, set off any liability of the Supplier to Sysco against any liability of Sysco to the Supplier.
- 10.6 Where an overrider or other financial agreement in the Commercial Terms requires additional information to be submitted by the Supplier to Sysco, in order to calculate and verify the amount due from the Supplier, the Supplier shall submit the relevant information in the required format by the agreed date. Late submission of information shall result in an administration charge of £500 per occasion.
- 10.7 If the Supplier does not supply an invoice for Products delivered within 6 months of the date of delivery Sysco shall not be obliged to make payment for the Products.
- 10.8 The Supplier shall ensure that Sysco is correctly notified at all times of the correct amount of VAT for each Product. The Supplier shall be liable for all costs incurred by Sysco as a result of the Supplier failing to notify Sysco of the correct VAT status or changes thereof.
- 10.9 The Supplier shall ensure that Sysco's Order number is clearly shown on all invoices, credit notes and other correspondence relating to the Order. All invoices and credit notes must be valid for VAT purposes.
- 10.10 Where Sysco requires the Supplier to deliver via Sysco's Depot Consignment operation, Sysco will make payment through Sysco's "self-billing" function, in accordance with delivery notes and the Supplier shall not submit invoices for such Products. The Supplier must return a signed copy of these Terms and Conditions, and the Sysco pro-forma self-billing agreement provided before any payment will be made. In the event that Sysco's self-billing payment is for an amount less than the agreed price of the Products to which it relates, the Supplier shall notify Sysco and, where such additional payment is validated by Sysco, Sysco shall raise a supplementary billing document for the difference.
- 10.11 Any Supplier queries relating to invoices, self-billing payments, or deductions made by Sysco from a payment to the Supplier must be made within 12 months of the date of delivery of the Products (or of the deduction being made). Queries raised outside this timeframe will not be considered by Sysco and Sysco shall not be obliged to make or adjust any payment in relation to those items.

11 DELIVERY

- 11.1 Unless otherwise agreed the Supplier shall deliver the Products to such destination as Sysco may direct. Each delivery shall be accompanied by a delivery note clearly marked with Sysco's Order number, the description and number of units of the Products, the unit size and, if appropriate, the best before date of all Products, as well as such other relevant information or paperwork required by the Terms and Conditions or by any applicable legislation or regulations, or as otherwise requested by Sysco.
- 11.2 The Supplier will deliver the Products to Sysco on a "DDP" (Delivered Duty Paid) basis unless otherwise agreed in writing.

- 11.3 Time is of the essence for an Order. If the Products are not delivered at the date and time specified in the Order, the Terms and Conditions or otherwise agreed between Sysco and the Supplier, Sysco may, without liability and without prejudice to any other rights or remedies it may have: (a) terminate the Order by notice to the Supplier effective upon receipt in respect of Products not yet shipped or services not yet rendered; (b) buy substitute Products elsewhere and recover from the Supplier any additional expenditure reasonably incurred; and (c) where an out of stock situation is created for Sysco due to the Supplier's failure to deliver the agreed quantity at the agreed time, seek appropriate recompense from the Supplier which may be based on the value of each lost sale to Sysco at Sysco's selling price. If the failure to deliver is to a manufacturing site, Sysco may also recover from the Supplier costs in relation to lost production time, wastage of other raw materials and/or any other costs due to this failure.
- 11.4 The Products will be delivered to the destination directed by Sysco at the risk of the Supplier who will maintain adequate insurance. Title and risk shall pass from the Supplier to Sysco at the point where the Products have been unloaded, checked and accepted on Sysco's behalf at the designated delivery point.

12 NOMINATED PRODUCTS

- 12.1 The price and Product Specification of any Nominated Products will be agreed directly between the Supplier and the parties' mutual customer. Any variation to the price of a Nominated Product, or any instruction to delist a Nominated Product, will only be accepted and actioned by Sysco on written instruction from Sysco's customer, subject to a minimum 14 days' written notice.
- 12.2 In the event that Sysco is required to participate in any rebate process in connection with any special pricing arrangement agreed between the Supplier and the parties' mutual customer, it may charge the Supplier an appropriate administration fee to cover its costs of doing so.
- 12.3 Subject to Clause 12.5, Sysco will pay the Supplier for Nominated Products in cleared funds, no earlier than 60 days from the date of invoice (such invoice not to be issued prior to the date of delivery).
- 12.4 Where the Sysco customer has made only part payment of total amounts invoiced by Sysco, monies received will be allocated first to the payment of Sysco wholesale debt and then to Nominated Product stock ordered on the customer's behalf.
- 12.5 Sysco may, at any time, withhold payment for Nominated Products where the relevant mutual customer has not paid Sysco for such Nominated Products for any reason (including, without limitation, where a deterioration in the customer's financial position or its insolvency results in non-payment in full). Where the customer fails to order or pay for any Nominated Product stock for any reason, the Supplier shall, at Sysco's option, either (a) collect such Nominated Product stock from Sysco, or (b) instruct Sysco to dispose of such stock, in each case at the Supplier's cost.

13 REJECTION

- 13.1 Without prejudice to any other rights it may have, if any of the Products or packaging is found to be defective or, in Sysco's reasonable judgment, to not comply with the Order or the Terms and Conditions (including without limitation the warranties at Clause 3), Sysco shall be entitled to reject those Products or any part of them irrespective of whether Sysco had initially accepted them. The whole of any consignment may be rejected if a reasonable sample of the Products taken randomly from that consignment is found in Sysco's reasonable judgment not to conform in every material respect with the aforementioned requirements.
- 13.2 Sysco will be entitled to return rejected Products to the Supplier (and the Supplier shall bear all risks and expenses related to the return of rejected Products including without limitation freight, duties and insurance) or Sysco may elect to store such Products at the Supplier's risk

subject to a storage charge payable by the Supplier for the period until collection by the Supplier or destruction by Sysco (and the costs of such destruction by Sysco shall be borne by the Supplier). In any event, Sysco shall be entitled to charge the Supplier for any costs or losses incurred by Sysco as a result of the rejection of Products.

- 13.3 In the event that rejected Products are returned to the Supplier, the Supplier shall ensure that any Sysco labelling and any other reference to Sysco, its products or services is removed from such Products prior to their subsequent disposal to any third party or otherwise.
- 13.4 Any acceptance by Sysco of Products which are in any way defective or which do not otherwise conform with the Terms and Conditions or any term implied by law shall be without prejudice to any rights or remedies which Sysco may have against the Supplier.
- 13.5 Except in the case of Nominated Products, where Products are rejected by Sysco pursuant to this Clause, then (at Sysco's sole discretion) Sysco may require the Supplier to immediately replace the rejected Products or Sysco may recover from the Supplier any costs it incurs in obtaining substitute Products from a third party. For the avoidance of doubt, the Terms and Conditions shall apply to any replacement Products supplied.

14 TERMINATION

- 14.1 Without prejudice to any of its other rights or remedies and without incurring any liability, Sysco may terminate an Order or any part thereof in the event that the Supplier commits a material breach of its obligations contained in the Terms and Conditions or any form of insolvency proceedings are commenced in respect of the Supplier. Upon receipt of a notice of termination from Sysco, the Supplier shall immediately stop and cause all of its suppliers and sub-contractors to stop all work under the Order or the part which has been terminated.

15 COMPLAINTS

- 15.1 Without prejudice to Clause 17 (Indemnity), where Products are found not to conform to the Terms and Conditions, any costs associated with complaints from customers relating to the Products which are dealt with by Sysco will be reimbursed by the Supplier in addition to such standard handling charge as Sysco may impose from time to time and all reasonable reimbursements or compensation provided to customers by Sysco. In the case of injury to customers or a serious complaint, the Supplier shall promptly provide Sysco with all assistance reasonably required by Sysco until the matter is resolved.

16 RECALLS/CLAIMS

- 16.1 The Supplier shall immediately inform Sysco of any actual or suspected food safety or quality issue which may affect the Products, whether discovered before or after delivery. Without prejudice to Clause 17 (Indemnity) in the event of a withdrawal of any of the Products due to any food safety or quality issue, or a Product recall required by the Supplier or reasonably determined to be necessary by Sysco, the Supplier shall be responsible to Sysco for all costs, losses and expenses incurred by Sysco including without limitation loss of profit on sales, administration, recall and disposal/return expenses and any other consequential costs which may be incurred.

17 INDEMNITY

- 17.1 The Supplier shall defend, indemnify and hold Sysco and its Affiliates harmless against any and all demands, damages, claims, liabilities, losses, costs and expenses (including legal expenses on a full indemnity basis) arising out of or resulting from:
 - (a) any claim made against Sysco by a third party for death, personal injury or damage to property arising out of or in connection with defects in Products;
 - (b) the breach, negligent performance or failure or delay in performance of the Terms and Conditions by the Supplier, its employees, agents or subcontractors;

Notwithstanding the above, where required by Sysco the Supplier shall sign Sysco's Hold Harmless Agreement as provided.

18 INSURANCE

- 18.1 The Supplier shall maintain in force with an insurance company of good repute, product liability and public liability insurance in the minimum sum of £10 million pounds each, or such other sum as may be agreed, in respect of any one incident and in the event that the Supplier fails to do so Sysco may effect such insurance and charge the cost of the same together with an administrative charge of 5% to the Supplier.

19 ANTI-CORRUPTION AND BRIBERY; ANTI-FRAUD; ANTI-FACILITATION OF TAX EVASION

- 19.1 As a matter of corporate policy and as strictly prohibited under the Sysco Supplier Code of Conduct, Sysco expressly prohibits payments or offers of bribes and/or facilitation payments in connection with Sysco's business operations by any supplier or agent engaged to provide products or services to Sysco.
- 19.2 The Supplier undertakes and agrees that it and its Affiliates will comply with the Sysco Supplier Code of Conduct and with all applicable laws, rules and regulations relating to anti-corruption and anti-money laundering including, without limitation, the Bribery Act 2010 and will not engage in any activity, practice or conduct which would constitute (i) fraud, including but not limited to a fraud offence under section 199(6) of the Economic Crime and Corporate Transparency Act 2023, (ii) a UK tax evasion facilitation offence under section 45(1) of the Criminal Finances Act 2017, or (iii) a foreign tax evasion facilitation offence under section 46(1) of the Criminal Finances Act 2017.
- 19.3 The Supplier shall ensure that any person associated with the Supplier who is performing services or providing Products in connection with an Order does so only on the basis of a written contract which imposes on and secures from such person terms equivalent to those imposed on the Supplier in this Clause 19. The Supplier shall be directly liable for any breach by such persons of this Clause 19.
- 19.4 The Supplier shall notify Sysco promptly upon discovery of any suspected or actual breach of this Clause 19, or where the Supplier has reason to believe that it has received a request or demand to (i) commit a fraud offence within the meaning of section 199(6) of the Economic Crime and Corporate Transparency Act 2023 or (ii) facilitate the evasion of tax within the meaning of Part 3 of the Criminal Finances Act 2017, in connection with the performance of its obligations under the Terms and Conditions or in connection with an Order.
- 19.5 The Supplier shall establish, maintain and enforce its own reasonable policies and procedures to prevent the commission of fraud and the facilitation of tax evasion by persons including, without limitation, employees of the Supplier and to ensure compliance with this Clause 19. The Supplier shall, if requested, cooperate with and provide reasonable assistance to Sysco to enable Sysco to investigate, or to respond to any requests from a government department or agency to investigate, an alleged offence under this Clause 19.
