**BRITISH  
PIE WEEK** 

British Pie Week is back, taking place between 6th-12th March, an opportunity to celebrate this classic British tradition at your establishment!

Did you know that the UK's favourite pie is Steak & Ale, a classic, and just one of many pies that Kentish Mayde produce in Biddenden, Ashford. Kentish Mayde, founded in 2001, have been making award winning pies ever since, quality is at the heart of what they do and endeavour to provide the best of the best pies!

# FOOD WASTE ACTION WEEK

6th – 12th MARCH 2023

**PORTION CONTROL** - Think quality over quantity. Around a quarter of people leave food at the end of their meal, with chips and burger buns being the food that is most likely to be left. Reducing the size of a portion of chips or burger bun could also yield higher profit margins for your business.

**AVOID OVER BUYING** - Ensure that you only purchase the ingredients that you know your business will use. It can be tempting to 'stock up' or buy in bulk if your supplier has a good deal on but doing so can leave you with more food than you need.

**Banana Bread & Butter Pudding**

**Roast Beef Hash**

**COMPOST FOOD WASTE** - Why not try to put any food waste into a compost bin so that it can be put to good use. You can do this with fruit and vegetable peelings, old bread products, grains, coffee ground and tea bags, pretty much any food except for meat, fish and dairy products. Create a kitchen garden to grow your own vegetables and herbs using the compost you've made from your food waste.

Cutting down your food waste is just one way you can be more sustainable, perhaps it's using the carrot tops to make a pesto or using your left-over bread for a hearty classic pudding.

Did you know that food wastage contributes to 9%\* of total greenhouse gas emissions, so anything you can do to help cut back will benefit your business and our planet.

Check out our recipes that include ingredients you might have normally thrown away.

# Tinned Fish

**Tuna Nicoise**

**Spaghetti with Anchovy & Chilli**

**Salmon, Pea & Mint Fishcakes**

To help reduce costs why not make the most of our tinned produce. Modern tinned fish encompasses everything from your run-of-the-mill tuna to salmon and sardines, to cockles, mussels, octopus and squid.

Remove the stigma around tinned produce and make some innovative eats. Fishcakes are a great way to do this, and they allow you to be super experimental, swap out for any fish of your choice.

**STOP SPITTIN FEATHERS**

I've got a succulent side, a crispy side and a juicy side. It's like a meatless chicken party and I've invited everyone.

**OUR BUTTERMILK** (400618)

Got bread? I look my best between your buns. You won't regret it. Throw in some salad and your secret sauce, and hey presto, I add a whole new dimension to this saucy number. It's clucking amazing if I don't say so myself.

**OUR CRISPY WINGS** (414214)

Meatless Mondays? All out vegan? Flexitarian? I don't give a flap. All I know is that no feathered friends were used in the making of my crispy, golden wings.

**OUR QUORN VEGAN FILLET** (400621)

To all you bird flippers, why not fry me on your heavy metal. I'm king of the kebabs or pride of your pies, I'm unmistakably tasty. What's more, I'm so convincingly thick and tender, I bring the caveman out of every vegetarian round the table. Beast mode.
