## STOP SPITTIN FEATHERS

I've got a succulent side, a crispy side and a juicy side.  
It's like a meatless chicken party and I've invited everyone.

### OUR BUTTERMILK (400618)

Got bread? I look my best between your buns. You won't regret it. Throw in some salad and your secret sauce, and hey presto, I add a whole new dimension to this saucy number. It's clucking amazing if I don't say so myself.

### OUR CRISPY WINGS (414214)

Meatless Mondays? All out vegan? Flexitarian? I don't give a flap. All I know is that no feathered friends were used in the making of my crispy, golden wings.

### OUR QUORN VEGAN FILLET (400621)

To all you bird flippers, why not fry me on your heavy metal. I'm king of the kebabs or pride of your pies, I'm unmistakably tasty. What's more, I'm so convincingly thick and tender, I bring the caveman out of every vegetarian round the table. Beast mode.
