# Fresh Fish & Seafood

We have partnered with one of the industry's leading fish suppliers to offer you a range of fresh fish, as well as a comprehensive frozen range.

Our partnership means getting quality seasonal British fish and seafood onto your menu boards couldn't be easier.

M&J Seafood follow the catch as it migrates around the coastline and know exactly when and where to be to get the very best of the catch.

## Delivered **the right way**

kff have full traceability right through the supply chain and all our vans are fully temperature controlled, which means the fish and seafood we supply our customers with are in the best possible condition when they reach their kitchens. Gone are boxes full of ice, we supply fish in new state-of-the-art thermoformed packaging.

## Handled **the right way**

M&J branches are fully BRC accredited and so are we. This globally recognised standard for food safety gives our no-nonsense assurance that all our fish and seafood has been handled and stored competently and safely.

## Sourced **the right way**

M&J only ever buy from suppliers who pass their tough technical approval process. This rigorous chain of custody means we can trace every catch from sea to plate.

## Doing business **the right way**

Where your fish and seafood comes from, how it was caught and how it's been handled is extremely important which is why you can rely on us and our trusted partnership with M&J Seafood.
