# Best of British SEAFOOD

The secret to great seafood is to buy what's in season because that's when the fish are in abundance and great quality, and our family member M&J Seafood know this. They follow the catch as it migrates around the coastline and know exactly when and where to be to get the very best of the catch.

Enjoy the flavours of the sea and get seasonal, British fish and seafood on your menu boards with our Monkfish and Hake recipes. View the full recipes at [www.kff.co.uk](http://www.kff.co.uk)

## MONKFISH

Best in late winter and early spring but available for most of the year. Caught in the North Sea as well as the South West where the fish has firmer flesh and higher yield.

## HAKE

A summertime favourite, best from **March through to May** and later in the year from **August to October**. Caught in the **North Sea** and by an MSC certified fishery in **Cornwall**.

## Mops & buckets

Ramon Hygiene are a leading manufacturer and distributor of cleaning and hygiene supplies, offering the very best cleaning products.

Their Optima hygiene RHP socket mops are durable, machine washable and super absorbent. The mops are manufactured using high quality synthetic yarns. Fitted with the 'RHP' colour coded socket, which are compatible with the aluminium colour coded handles.

These loop ended mops with stay flat band allow more of the mop to remain in contact with the floor, reduce cleaning times and increase productivity.
