OUR BRANDS

M&J

Quality Seasonal Fish & Seafood

We have partnered with one of the industry's leading fish suppliers to offer you a range of fresh fish, as well as a comprehensive frozen range. Our partnership means getting quality seasonal British fish and seafood onto your menu boards couldn't be easier. M&J Seafood follow the catch as it migrates around the coastline and know exactly when and where to be to get the very best of the catch.

OUR BRANDS

freshdirect™

*British & Globally Sourced
Fruit & Veg*

For over 50 years Fresh Direct have worked day and night, 364 days a year, to deliver British and globally sourced fruit and veg to dedicated chefs across the country, it's easy to see why they are called produce fanatics! You'll find everything you need from the core essentials to more seasonal produce, perfectly packaged to protect the product and maintain freshness!

OUR BRANDS

*Supplying
Caterers For
Over 20 Years!*

Created in response to a shortage of quality fillings, Purple Pineapple has been supplying caterers with superior fillings for over 20 years, using the same principles as when it was first founded! Our fillings are only ever mixed by hand, so the more delicate ingredients are kept intact whilst the finished product looks more handmade than machine blended alternatives. What's more, our fillings are extremely versatile; use as a jacket potato topper, a pie filling or as part of a sharing platter... the possibilities are endless.

NEW RANGE highlights

**LITTLE
&
CULL**

Devon & England

Based in the heart of Devon, Little & Cull is an independent chef-led company and the **leading supplier of premium sous-vide and prepared meals in the UK.**

Tom Harb-Little and Tom Cull developed Little & Cull in response to strong demand for superior quality prepared products, sourcing their ingredients as close to home as possible and make full use of the wonderful produce available in the West Country and the UK.

Their capabilities have been expanded with passion and enthusiasm to deliver imaginative ever-evolving products

Stokes

Founded in 2004, Stokes Sauces was created for food lovers who appreciate quality and flavour. Using only the finest ingredients, packing in more of what truly matters.

What makes Stokes special is the abundance in everything they make, because they refuse to compromise. Their goal is simple: **to transform everyday meals into something extraordinary.**

At the heart of Stokes Sauces is a dedication to quality, flavour, and sustainability.

Founded in 2011, Kent Crisps are an **award-winning range of hand-cooked crisps** inspired by local flavours, made using Red Tractor assured, British-grown potatoes.

As one of the few British snack brands that remains independently owned and run, their ethos is to produce seriously delicious-tasting crisps that showcase some of the county's finest food and drink. Thanks to their partnerships with some of the best local producers, they use real Kentish ingredients to put a local twist on some of the nation's favourite flavours.

They are incredibly proud of their Kentish roots and promote some of their home county's favourite landscapes and landmarks on their packets. The pack fronts include world-famous treasures Leeds Castle and Canterbury Cathedral, as well as Kentish coastlines, Seasalter's iconic beach huts and Kent's beautiful rolling countryside.

HACKNEY Gelato

Creative chefs who grew up in Italy, but met working at a Michelin starred London restaurant. After years of talking about bringing proper gelato to the UK, they travelled home to hone their craft with the master gelatieri of Sicily. They were taught the importance of real ingredients and traditional slow churning techniques. With heads full of wisdom, they returned to their East London kitchen, where Hackney Gelato was born.

They make their gelato using carefully selected ingredients. From British milk to real nuts, fruits and the finest chocolate. Enhancing flavours with a sprinkle of sea salt or squeeze of lemon, they know what makes the difference.
