8 WHAT'S IN SEASON?

Welcome to the innovative food guide

You should always read the label before using the product and never rely solely on the information presented here or any database provided. All prices are correct at time of print.

Please be aware that due to continued pressure on supply chains some products may be unavailable at short notice. Please speak with your telesales contact or account manager to discuss suitable alternatives should this issue arise. We apologise for any inconvenience this may cause.

All fresh meat, fish & seafood and vegetables require prior notice when ordering.

What's in season?

Why is it important to consider seasonal produce when planning your menus? Put simply, seasonal ingredients taste better! A seasonal menu allows you to take advantage of produce in season, meaning that you can create mouth-watering dishes that are packed full of flavour.

Take a look at what's in season during July & August below or why not try our seasonal Heirloom Tomato Salad on your menus this summer.

View the full recipe at www.kff.co.uk
