YOUR INDISPENSABLE GUIDE TO WHOLESALE
CLEANING AND JANITORIAL PRODUCTS

www.kff.co.uk

Welcome to the essential non-food guide

Welcome to The **NEW** Essential Non-Food Guide from kff; your indispensable guide to wholesale cleaning and janitorial products. Our range is full of non-food essentials from kitchen consumables and cleaning chemicals to food-to-go disposables.

We have a range of specialist cleaning and washroom products, as well as wholesale cleaning products that meet the needs of every catering establishment, both inside and outside of the kitchen.

Our **NEW** 'Super Professional' range has been trusted by caterers for over 40 years and is designed and developed with the independent professional in mind. The range has been recently redesigned and reformulated for improved cleaning and disinfecting power, with many of the products being BPR (Biocides Product Regulation), BSEN1276 and BSEN13697 compliant. All of the bleached based products are also fully BPR registered. Super Professional is a quality brand, offering supported training, literature, safety data sheets, COSHH information and usage wallcharts which are all available to download.

Key USPs:

- Clearly labelled and colour coded dependent on risk area - all products have unique alphanumeric front and side coding to allow for quick reference
- Detailed information on the back of products including QR codes to link to all technical information
- Downloadable multi-lingual wall charts
- Live Chat feature on the website for any questions and queries www.mirius.com
- Recyclable packaging - watch the online video for more information www.mirius.com/recycle
