Take a sip of Italy
and discover the
authentic flavours
of Sanpellegrino
sparkling fruit beverages.

Why not use Sanpellegrino in one
of our delicious mocktail recipes:

After Orange

After Orange is a classic mocktail that expertly combines
sweet, tart and sour flavours.

INGREDIENTS: 2 lime wedges, 1 bar spoon/teaspoon of
vanilla sugar (or plain sugar), 1oz/3cl grapefruit juice,
Sanpellegrino Aranciata.

METHOD: Gently muddle the lime together with the sugar in the
bottom of a large, 40cl capacity glass. Add the grapefruit juice
along with some crushed ice, then top up with Sanpellegrino
Aranciata. Using a bar spoon, stir well until combined. Garnish
with a dried lime wedge and grapefruit peel. If you are 18 years
old or over, you can turn the After Orange into a sparkling fruit
beverage by stirring a splash of tequila (1oz/3cl).

1 in 3 Brits have stopped or reduced their meat consumption**

Nut free production

W.G. Buchanan & Son Ltd are a family owned and operated company that has been sourcing and supplying whole food ingredients since 1871.

Over the years, they have greatly expanded their range to adapt to differing eating trends and consumer demands and are now one of our most important suppliers of cereals, pulses, rice, dried fruit, seeds and culinary nuts.

In addition to their main 25,000 square feet purpose-built facility, the company has recently built a stand-alone nut packing facility next door, both of which are managed under robust allergen risk assessments and control plans.

This gives Buchanans and us the confidence that all their nut free products are exactly that; 'nut free.' We predict that more suppliers will inevitably make this jump as the demand from outlets to provide full ingredients lists and allergen information continues to rise.
