Simplify Your Menu, Simplify the process

There has never been a more important time to re-think menus and adapt your kitchen to reassure staff and consumers

MINIMISE PREP & SERVE TIME WITH BIG AL'S FULLY COOKED & PRE-PREPARED PRODUCTS

OUR SOLUTION:

We suggest frozen product alternatives:

- **Reduce Food Waste:** less risk of stock going out of date quickly, our packs can be opened and products used as needed
- **Help with planning:** In the current climate demand and footfall is hard to predict, our frozen preprepared products help with planning.
- **Minimal Prep:** we've done the hard work seasoning, coating or saucing our products so you can focus on customers
- **Reduce food handling:** pre-prepared and fully cooked means staff spend less time handling the product and kitchen equipment
- **Speedy Service:** quick to heat and serve meaning reduced waiting times and opportunity to serve more customers
- **Consistency:** deliver the same great eating experience time and time again
- **Minimal staff** required, as products are easy to heat and serve
- **Start with a Simple Food Offering:** outlets need to consider offering food to increase customer spend to offset reduction on capacity, our products are a simple solution for getting started!

Reducing your menu and cutting out steps in the prep process with convenience-based products can reduce movement, time, wastage and training, especially moving forward into a post-Covid-19 world.

INDUSTRY TIP:

Choose a refined menu with dishes that are simple to prepare and serve, ideally by a single person.
